

Team One - Summer 1

This half term we are learning about 'Plants'.

***Our books are... 'Usborne Lift the Flaps Questions and Answers about Food', 'Where food Comes From', 'Look Inside Food', 'Look Inside a Farm', 'Where Do Vegetables Come From', 'Where Do Fruit Comes From' and 'How Do Animals Give Us Food'***

In Science, we will be looking at plants. In this unit about plants, we will learn to name the basic parts of a plant, including seeds. They will have the opportunity to plant their own seeds and to make observations of how they grow over time. They will also learn to

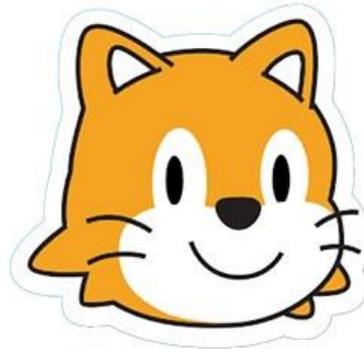

identify, name and describe a variety of garden and wild plants as well as evergreen and deciduous trees.

In P.E. we will be looking at the skill of running. They will learn to travel at different speeds by walking, jogging, running and sprinting, and develop an understanding of when these speeds are most useful.

In Computing we will be looking how to create, store and retrieve content using a program called Scratch Jr.

In P.S.H.E., we are learning the importance of communication and how we can look after our health and well being.

In R.E. we will be looking at the religions of Hinduism and Judaism.

In Geography we will be looking at different places in the country.

In D.T. we will be making a healthy fruit kebab.

In Music, we will be listening and identifying different instruments.

Remember to read at least five times a week, complete your homework (handed in on Wednesday) and learn your weekly spellings for the spelling test on Friday. Try to aim to reach the Premier League in the Number Bonds League by learning your number bonds to 20 and begin to learn your 2, 5 and 10 times tables. Please bring your P.E. kit in on Monday and always remember a water bottle!
