

Team 3 - Summer 2.

To Infinity, the Earth and beyond

Our key subject for this topic are **Geography/Science**.

Over the next half term we will be looking at Infinity, the Earth and beyond.

In maths we will follow White Rose Maths, continuing with time and moving onto space and measure.

In English we will be looking at writing to discuss which will have links to our class novel.

Geography - To Infinity, the Earth and beyond

During this half term, we will be looking at:

- Geographical features of planet Earth
- Continents and oceans - to know and identify them on a map.
- Equator and tropics - to know and identify them on a map.
- Planets of the solar system.
- Night and day
- Movement of the planets.

Science - Working Scientifically

During this half term children will:

- Set up simple practical enquires and fair tests
- Gather, record and present data in a variety of ways
- Use results to draw simple conclusions and make predictions
- Identify differences, similarities or changes related to simple scientific ideas

Art - Pencil & Drawing

During this half term we will:

- Explore creating shades from deep black to bright white
- Experiment with a pencil to create different lines
- Recreate shade and texture by looking at some examples
- Use blending and smudging to create soft edges
- Create a space image using the skills practised

Religious Education - Ethical and moral choices

During this half term we will:

- Share Bible stories and discuss choices that were made
- Discuss how we can make good choices and live morally
- Discuss a selection of moral questions based on philosophy for children

Computing - Coding and debugging

During this half term we will:

- Use Scratch Jnr to set start conditions
- Repeat and loop commands
- Create a code for a given purpose

PE - Athletics

During this half term we will:

- Demonstrate the ability to change pace
- Demonstrate quick reactions
- Use jumping combinations to move around a space
- Perform dynamic sequences with control
- Throw foam javelins, discus and shotput for distance and with control

Music - History of music 20th century

During this half term we will:

- Listen to music from different periods of the 20th century
- Listen and respond to style, pitch, melody & tempo
- Listen and identify which instruments are used and how they have changed over time

French

In French in LSK2 we follow the Wakefield 'La Jolie Ronde' scheme for learning.
