

Team 3 Autumn 2.

Coastal contrasts

Our key subject for this half term is **Geography**.

During this half term we will be learning about coastal locations around the world and the UK.

In maths we will continue with looking at numbers to 1000 and linking this into mass and capacity.

In literacy we will be writing a narrative based on a book linked to our topic **coastal contrasts**.

Geography - Coastal contrasts

During this half term, we will:

- Know key vocabulary related to coastal locals
- Identify key features of a coastal local in the UK and compare to one abroad
- Know and identify living things found at the coast
- Identify dangers and threats to the coastal environments
- Know the common employment in the coastal locale

Science - Light

During this half term, we will:

- Recognise that you need light in order to see things and that dark is the absence of light.
- Notice that light is reflected from surfaces.
- Recognise that light from the sun can be dangerous.
- Recognise that shadows are formed when the light from a source is blocked.
- Find patterns in the way that size of shadows change.

Internet Safety

During this half term, we will:

- Use search technology effectively and have a basic understanding of key words and search rankings.
- Know the potential dangers of online activities.
- Know how to behave appropriately online.

PE - Gymnastics

During this half term we will look at:

- Floor and bench work.
- Moving with control and balance.
- Using gymnastic equipment safely.
- Stretching and curling.
- Moving in different pathways & changing direction.

Music - Recorder

During this half term, we will:

- Learn a basic playing technique.
- Read simple musical notes.
- Play together using the first 3 notes.

Religious Education - Christianity & Christmas

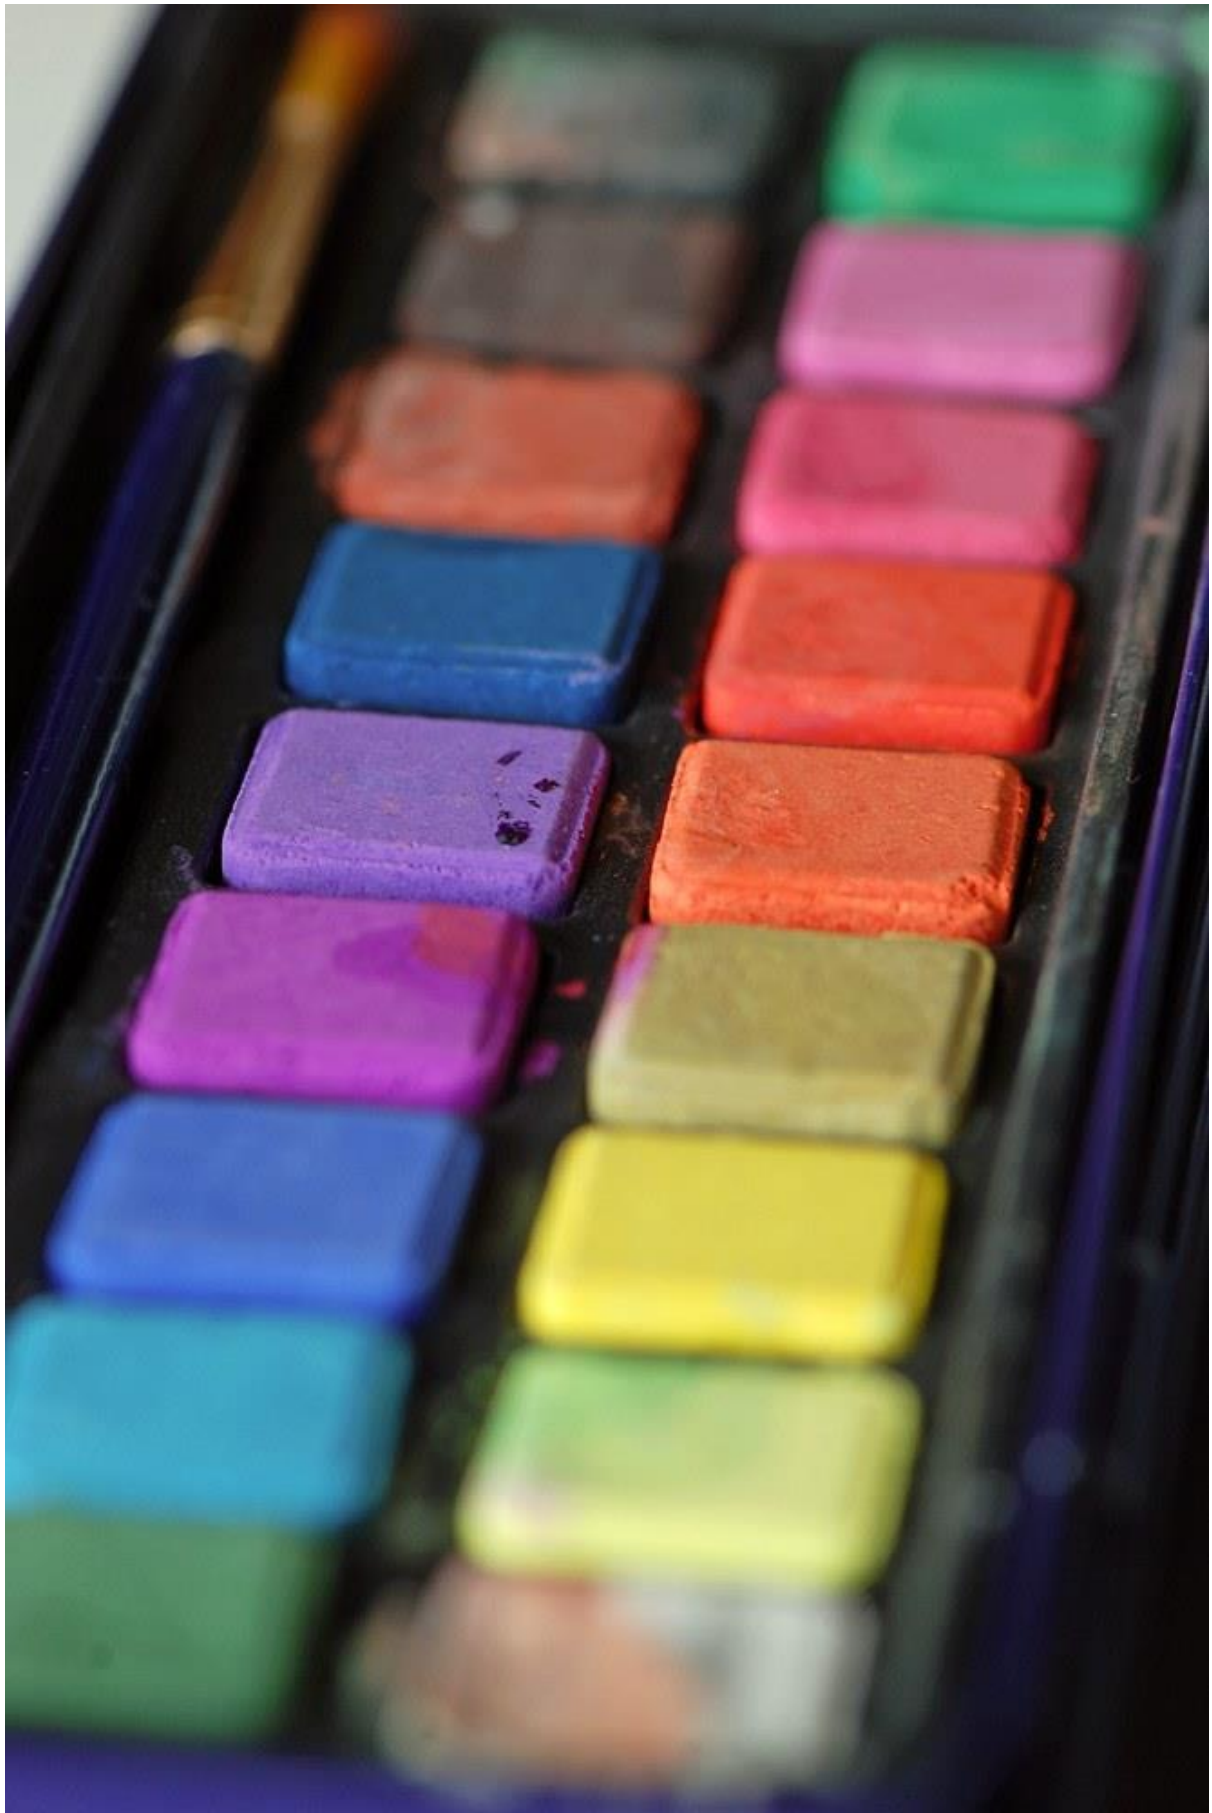

During this half term, we will:

- Understand that the UK is a multicultural country.

- Know the when and why of Christian festivals and how Christmas is celebrated around the world.
- Know the Christmas story.

Art - Paint

During this half term, we will:

- Begin to know different methods of applying paint with brushes
- Look at water paints from Monet & Turner
- Mix shades of primary and secondary colours
- Apply paint with more control and show different texture

French

In French we follow the Wakefield 'Ja Jolie Ronde' scheme. During this half term we will learn:

- Greetings
- Classroom instructions
