

Team 3 Spring 1.

## Iron Age

**Our key subject for this half term is History.**

Over the next half term we will be looking at the Iron Age and what we know about this period of time from archaeologists.

In English we will be linking our writing to our guided reading text **The Iron Man** , writing both a fiction and a non-fiction piece.

In maths we will continue working on multiplication and moving on to our 8 x tables then looking at column subtraction.

## History - Iron Age

During this half term we will be looking at:

- The Iron Age period on a timeline
- The meaning of **Iron Age**

- What life was like in this period of time
- How the Celts lived

## Science - Rocks

During this half term we will:

- describe in similar terms how fossils are formed when things that have lived are trapped within a rock.
- recognise that soils are made from rock and organic matter.
- compare and group together different kinds of rocks on their appearance and simple physical activities.

## Religious Education - Hinduism

During this half term we will be learning:

- Core beliefs of Hinduism and compare to Christianity
- Main gods including representations of Rama
- Places of Worship
- Main festivals of Hinduism

- Religious stories and key texts

## PE - Dance

During this half term we will be learning:

- Perform basic actions and dances clearly
- Develop travelling movements
- Working in pairs "Follow the Leader" & in unison
- To create a simple dance
- To perform dances with control
- To evaluate own and others dances

## Design Technology

During this half term, the children will:

- Generate, model and communicate their ideas
- Select and use a range of tools to perform practical tasks
- Replicate the iron smithing process
- Design and make replica iron objects using card

## Music

Now the children have learnt A, B & G on the recorder, they will:

- Read simple notes and play a tune
- Play together using the first 3 notes

## Computing - Using and combining software

During this half term we will be learning:

- The skills needed to create a Power Point on an aspect of their learning about The Iron Age

- To create a short film and find, save & edit images
- Create diagrams and tables to be added into the Power Point presentation

## French

We follow the Wakefield 'La Jolie Ronde' scheme for learning French in LKS2.
