This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
To ensure that children access a range of physical activity during lunchtimes, at breakfast club provision and during after school club provision. To improve the resources for active lunchtimes, after school club and breakfast club. To further develop and embed forest school provision. To improve the outdoor facilities for active learning for EYFS children New staff have joined school with more experienced staff leaving and so CPD for PE needs to be reviewed and updated. CPD which covers effective use of outdoor spaces to teach all aspects of PE is required. Wider range of activities to be delivered to broaden the PE experience available to all children. Forest school, outdoor and adventurous activities to be introduced and developed.	New equipment has enabled children to be active at playtimes with more purpose. Some classes have benefited from forest school lessons and have learnt new skills. Surfacing of the area has enabled the EYFS area to become safe to use and has extended the space to provide outdoor learning. skills confidence audit to identify gaps in CPD for the next academic year R, Y1, Y2 have taken part in virtual; multi skills competitions this year. This had developed their skills in many areas. Some classes have benefited from forest school lessons and have learnt new outdoor adventurous skills	Continue to purchase new equipment next year. Ongoing- To look into introducing a scheme to support the planning, delivery and progression of PE across all year groups.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	80%	<i>80% of the class were able to swim 25 meters of the pool competently and confidently.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	80%	<i>80% of the class were able to use front crawl, backstroke, breaststroke and butterfly by the end of year 5.</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	88%	<i>80% of the class are strong, competent swimmers. 2 children (8%) of the class from a middle grouping were able to complete the self-rescue course fully clothed, including treading water and floating/sculling.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
